INTRODUCTION

Welcome to the Ironwood community. We who live here believe it is a fine place to live.

Each unit is for use as a Single-family, private residence only.

Each Unit owner is a member of Ironwood, Inc., a not-for-profit corporation originally organized under the laws of the State of Florida on January 31, 1973, to operate and manage the Family Units with exclusive control over ownership, use, occupancy and transfer of such units.

Ironwood, Inc., is operated and managed by a Board of Directors, which is elected annually by the Unit owners.

The Rules and Regulations set forth in this booklet are presented as a guide to Unit owners and assist the Board of Directors in the interest of the Ironwood community.

The Rules and Regulations are not in substitution of the provisions of the Condominium Declaration and the By-Laws as it may be amended from time to time, which are fully applicable to all owners. As authorized by such documents, the Rules and Regulations spell out specific guidelines to maintain a congenial and orderly community for all owners.
