

Notice:

We are looking for 3 volunteers to be on our Hearing Committee. These three owners must not be a board member not related to a board member. They must be a member in good standing. The purpose of the hearing committee is to listen to any fine approved by the board and to ratify or deny it. Any homeowner that is fined by the board has the right to go before the hearing committee to plead their case. This is a very important committee as no fine may ever be imposed without it. Please respond to President Steve Hohler at JSHohler1@aol.com if you think you may have an interest. Once we have the 3 members, VP Dave Tate will take you through the process, which is quite simple.
